(The Commission will now redact Complainants' names when it publishes decisions. Beginning on October 1, 2015, all federal sector appellate decisions issued for publication will use a randomly generated name as a substitute for the name of the complainant, rather than the generic term "Complainant."

Preface. The first edition of this volume has been commended and criticized by the public. It was admitted to be a valuable compendium of the curiosities of literature generally, and especially of that pertaining to magic, but that it was at the same time calculated to foster superstition, and thereby promote evil — a repetition of the charge made against the honorable Horst, the publisher ...
