The legislature finds that *chapter 42.17 RCW contains laws relating to several discrete subjects. Therefore, the purpose of chapter 274, Laws of 2005 is to recodify some of those laws and create a new chapter in the Revised Code of Washington that contains laws pertaining to public records.

Chapter 42.56 RCW: PUBLIC RECORDS ACT

Landscape ecology is the science of studying and improving relationships between ecological processes in the environment and particular ecosystems. This is done within a variety of landscape scales, development spatial patterns, and organizational levels of research and policy.

Landscape ecology - Wikipedia

The book An Essay on the Principle of Population was first published anonymously in 1798, but the author was soon identified as Thomas Robert Malthus. The book predicted a grim future, as population would increase geometrically, doubling every 25 years, but food production would only grow arithmetically, which would result in famine and starvation, unless births were controlled.
