Over a year ago I wrote a post about using QuickBooks for church accounting. Since then some things have changed and I would like to write about some of those items here. For those of you who didn't know that QuickBooks can be used for churches, surprise!

Another Look at Using QuickBooks For Church Accounting ...

Accounting or accountancy is the measurement, processing, and communication of financial information about economic entities such as businesses and corporations. The modern field was established by the Italian mathematician Luca Pacioli in 1494. Accounting, which has been called the "language of business", measures the results of an organization's economic activities and conveys this ...

Relationship between cost of goods sold and sales is called cost of goods sold ratio. It is also called cost of sales to revenue ratio. It is the part of ratio analysis for checking the efficiency of business. You know that cost of goods sold is the main part of total business expenses. If you have to sell, it means, you have to buy or use stock in your store which you have bought in past.

How to Calculate Cost of Goods Sold Ratio | Accounting ...

Here's how: Go to the File Menu, click Print Forms and then click Labels. Choose the names you want to appear on the labels or cards. QuickBooks gives several options on the "Select Labels to Print" window that displays.
