Contemporary Latin is the form of the Latin language used from the end of the 19th century through the present. Various kinds of contemporary Latin can be distinguished. On the one hand there is its survival in areas such as taxonomy as the result of the widespread presence of the language in the New Latin era. This is usually found in the form of mere words or phrases used in the general ...

Ever since I started writing this particular column several years back, a funny thing has happened: I've started to become a magnet for cheap, old fixer-uppers. They seem to come to me in my sleep. They arrive daily in my inbox. People have even stopped me on the street to tell me about them. (Yes ...

Native Poetry in Canada: A Contemporary Anthology is the only collection of its kind. It brings together the poetry of many authors whose work has not previously been published in book form alongside that of critically-acclaimed poets, thus offering a record of Native cultural revival as it emerged through poetry from the 1960s to the present.
