Esports (also known as electronic sports, e-sports, or eSports) is a form of competition using video games. Most commonly, esports takes the form of organized, multiplayer video game competitions, particularly between professional players, individually or as teams. Although organized online and offline competitions have long been a part of video game culture, these were largely between ...

The Upside Down is an alternate dimension existing in parallel to the human world. Most, if not all, flora and fauna present in the dimension are linked together in a hive mind controlled by the Mind Flayer, essentially forming an enormous superorganism. A key component of this hive mind was a species of humanoid predators, dubbed Demogorgons, which originated from the dimension.
