Advanced Practice Information. Advanced practice information, advisories, and guidelines are provided by the BRN to ensure ongoing communication of competency standards to consumers, advanced practice nurses (nurse practitioners, nurse-midwives, clinical nurse specialists, nurse anesthetists, and psychiatric/mental health nurses), employers, educators, and other regulators.

### **Publications - California Board of Registered Nursing**

Nursing is a profession within the health care sector focused on the care of individuals, families, and communities so they may attain, maintain, or recover optimal health and quality of life. Nurses may be differentiated from other health care providers by their approach to patient care, training, and scope of practice. Nurses practice in many specialties with differing levels of prescription ...
