### **Leading Issues in Economic Development Oxford University ...**

Completely revised and updated, the latest edition of Leading Issues in Economic Development presents a more concise view of development economics, without sacrificing the variety of viewpoints and perspectives that have made previous editions so popular.

### **Leading issues in economic development / Gerald M. Meier ...**

In this edition, both the selections and the authors' own overviews, notes, comments, and exhibits make greater use of empirical analysis as well as modern economic theory. In all, Leading Issues in Economic Development provides fresh and serious attention to the interplay between development experience, changing views of economists, and policy.
