Corporate law (also known as business law or enterprise law or sometimes company law) is the body of law governing the rights, relations, and conduct of persons, companies, organizations and businesses. It refers to the legal practice relating to, or the theory of corporations. Corporate law often describes the law relating to matters which derive directly from the life-cycle of a corporation.

Ancient India and China represent distinct traditions of law, and have historically had independent schools of legal theory and practice. The Arthashastra, probably compiled around 100 AD (although it contains older material), and the Manusmriti (c. 100–300 AD) were foundational treatises in India, and comprise texts considered authoritative legal guidance.
