Living Democracy 4th Edition

A democracy is a political system, or a system of decision-making within an institution or organization or a country, in which all members have an equal share of power. Modern democracies are characterized by two capabilities that differentiate them fundamentally from earlier forms of government: the capacity to intervene in their own societies and the recognition of their sovereignty by an ...

Note 1From time to time in this introduction, I cite ancient evidence for our knowledge of Athenian democracy and its history. In doing so, I have tried to limit myself to sources I know to be available online, in the original language and in translation. [return to text]

Athenian Democracy: a brief overview - Stoa

Origins Democracy commonly refers to a type of political system in which the people or their representatives lawfully govern themselves, rather than being governed, say, by a military dictatorship, totalitarian party or monarch.
