By Jacque Wilson, CNN. Gone are the sterile white walls and the smell of disinfectant. Gone are the tiny shared rooms with the separating curtain and the incessant hum of fluorescent lighting.

The CNN 10: Better by Design

Some people practice simple living by reducing consumption. By lowering expenditure on goods or services, the time spent earning money can be reduced. The time saved may be used to pursue other interests, or help others through volunteering. Some may use the extra free time to improve their quality of life, for example pursuing creative activities such as art and crafts.
