In telecommunication, Long-Term Evolution (LTE) is a standard for wireless broadband communication for mobile devices and data terminals, based on the GSM/EDGE and UMTS/HSPA technologies. It increases the capacity and speed using a different radio interface together with core network improvements. The standard is developed by the 3GPP (3rd Generation Partnership Project) and is specified in ...

A bullet is a kinetic projectile and the component of firearm ammunition that is expelled from the gun barrel during shooting. The term is from Middle French and originated as the diminutive of the word boulle (boullet), which means "small ball". Bullets are made of a variety of materials such as copper, lead, steel, polymer, rubber and even wax. They are available either singly as in ...

African Resistance to Colonial Rule Benjamin Talton - Temple University. While African resistance to European colonialism is often thought of in terms of a white and black/European and African power

struggle, this presumption underestimates the complex and strategic thinking that Africans commonly employed to address the challenges of European colonial rule.
