Vanity License Plate Frames...hee hee. In order to help you navigate around the page, I have decided to implement Netscape 2.0's Frame features.If you are seeing this message, you are using a frame challenged browser. Frames is a nice little added feature that is convenient if you have it, but no big deal if you don't.

Vanity License Plate - Chaos at Maryland

Callot also appears to have been responsible for an improved, harder, recipe for the etching ground, using lute-makers' varnish rather than a wax-based formula.This enabled lines to be more deeply bitten, prolonging the life of the plate in printing, and also greatly reducing the risk of "foul-biting", where acid gets through the ground to the plate where it is not intended to, producing spots ...
