Design Tips. Decide on a name for your paper and make this large and on the top of your newspaper. Make sure that it is the name of your business or at least suggests what your business is about (for instance, if you own a hair salon, you want to avoid names like "Harry's Newspaper" or "JoAnne's " as those names have no message as to the content of the kind of paper you are producing.

After years of trial and error, I finally came up with the perfect succulent potting mix recipe. This is the best soil for succulents, and it's super easy to make too! In this post, I will share my recipe and show you exactly how to make your own succulent soil. I don't buy succulent soil, I make my own. It's much cheaper than buying a commercial cactus and succulent potting mix.
