Total Quality Management (TQM) is a competitive approach to long-term success that's derived from a dedication to customer satisfaction. Within this system, every employee in a company endeavors to enhance the products, services and internal culture ...

### **competency-based approach - BusinessDictionary.com**

Competency-based learning or competency-based education and training is an approach to teaching and learning more often used in learning concrete skills than abstract learning. It differs from other non-related approaches in that the unit of learning is extremely fine-grained. Rather than a course or a module, every individual skill or learning outcome (known as a competency) is one single unit.
