Introduction to Management | Questions & Answers

The popularity of FAME subjects (finance, accounting, management and economics) comes from their vital role in the world of business, particularly those first two letters of the acronym: accounting and finance. The primary difference in the battle of accounting vs finance is that accounting has a relatively narrow focus, while finance is wider-ranging, covering an array of specializations in ...

Take HR analytics out of HR. This may sound drastic, but when HR analytics matures, it initially starts cooperating more with other departments' teams (in finance, operations, etc.), and

eventually becomes part of cross functional/end-to-end analytics – looking at human capital elements in the entire value-chain.

Learning from practice: how HR analytics avoids being a ...
