Life is a characteristic that distinguishes physical entities that have biological processes, such as signaling and self-sustaining processes, from those that do not, either because such functions have ceased (they have died), or because they never had such functions and are classified as inanimate. Various forms of life exist, such as plants, animals, fungi, protists, archaea, and bacteria.

In no particular other, here are some of the reasons why I left Dubai and won't probably come back.
1. Human Rights VIOLATIONS. If you mention the word Dubai to anyone around the world they will automatically think of richness and fast development. It's not the poorest place on Earth, that is true, but that doesn't mean there isn't a fair share of misery going on.
