Deliberate and emergent strategies may be conceived as two ends of a continuum along which real-world strategies lie. This paper seeks to develop this notion, and some basic issues related to strategic choice, by elaborating along this continuum various types of strategies uncovered in research.

Of strategies, deliberate and emergent - Mintzberg - 1985 ...

Introduction. Price is one of the most flexible elements of the marketing mix, which interferes directly and in a short term over the profitability and cost effectiveness of a company (Simon, Bilstein, & Luby, 2008). Despite the importance a price has on the performance of businesses, it seems that such element has not received the proper attention by many academics and marketing professionals ...
