Gay tourism or LGBT tourism is a form of niche tourism marketed to gay, lesbian, bisexual and transgender people. They are usually open about their sexual orientation and gender identity but may be more or less open when traveling; for instance they may be closeted at home or if they have come out, may be more discreet in areas known for violence against LGBT people.

LGBT tourism - Wikipedia

Market segmentation assumes that different market segments require different marketing programs - that is, different offers, prices, promotion, distribution or some combination of marketing variables.

Market segmentation - Wikipedia
