About Phil Kotler. Known as the "father of modern marketing," Philip Kotler is the S.C. Johnson & Son Distinguished Professor of International Marketing at the Kellogg School of Management at Northwestern University.

Books - Philip Kotler

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...

Business excellence is about achieving superior business results in relation to the competitors by means of developing and strengthening the management systems and processes of an organization; it is targeted at improving performance and delivering value for all the stakeholders, in a three-dimensional space characterized by uncertainty, complexity and dynamism.

ICBE Conference - Society for Business Excellence

The Encyclopædia Britannica, Eleventh Edition (1910-11) is a 29-volume reference work, an edition of the Encyclopædia Britannica. It was developed during the encyclopaedia's transition from a British to an American publication. Some of its articles were written by the best-known scholars of the time.
