Philip Kotler is one of the world's leading authorities on marketing. He is the S. C. Johnson & Son Distinguished Professor of International Marketing at the Kellogg School of Management, Northwestern University.

Amazon.com: Marketing Management (15th Edition ...

Marketing strategy is a long-term, forward-looking approach to planning with the fundamental goal of achieving a sustainable competitive advantage. Strategic planning involves an analysis of the company's strategic initial situation prior to the formulation, evaluation and selection of market-oriented competitive position that contributes to the company's goals and marketing objectives.

With the maturing of the software industry and with an overwhelming acceptance of agility, I am

still surprised at the inconsistency and overall confusion between what product managers and product owners do. On a panel I participated on this very topic, the presenters had different, sometimes contradictory perspectives. [1] Adding to the confusion, organizations struggling to make sense of the ...

Am I a Product Manager or a Product Owner? Part 1 - EBG ...

The primary focus of this text is to empower management students with statistical decision-making skills so that they become active participants rather than passive observers in business situations in which statistical findings are reported and discussed as part of a management decision-making process.
