Targeting Interventions. Research has long suggested that programs and strategies focused on the prevention of reading difficulties in elementary students are most effective when they are delivered to children early in their schooling, before reading problems become entrenched and self-esteem issues stall the learning process (Mathes, 2003).

In education, response to intervention (commonly abbreviated RTI or Rtl) is an approach to academic intervention used in the United States to provide early, systematic, and appropriately intensive assistance to children who are at risk for or already underperforming as compared to appropriate grade- or age-level standards. RTI seeks to promote academic success through universal screening, early ...

English as a second or foreign language is the use of English by speakers with different native languages. Language education for people learning English may be known as English as a second language (ESL), English as a foreign language (EFL), English as an additional language (EAL), or English for speakers of other languages (ESOL). The aspect in which ESL is taught is called teaching English as ...
