NEVER take the road people want you to. It's your life, ride your own way. You may not have a limo, but feel happy to ride on your own bike. With our eldest currently in grade 8 and still at the start of his high school years, the time has come for us to make a decision about what direction we're going to take getting him through matric with University Exemption.

The earliest forms of written communication originated in Serbia (Vinča culture), followed by Sumer, located in southern Mesopotamia about 3500-3000 BCE. During this era, literacy was "a largely functional matter, propelled by the need to manage the new quantities of information and the new type of governance created by trade and large scale production".
