Profit: Profit is what keeps a company going and is the main aim of most businesses. Normally a business will try to obtain a satisfactory level of profits so they do not have to work long hours or pay too much tax.; Increase added value: Value added is the difference between the price and material costs of a product. E.g. If the price when selling a pen is \$3 and it costs \$1 in material, the ...

Cash: The traditional payment method. However, many businesses do not prefer to use cash for a number of security reasons. When cash is paid, a petty cash voucher is issued by the person in charge of the firm's money who also signs it to authorise the payment. The person making the purchase signs it too to show that the money has been recieved.
