The Powell Memo with Commentary. The Powell Memo was the precipitating event for the swift rise and astounding success of big business and its control of the United States, starting in the early 1970s.

The Powell Memo with Commentary - Thwink.org

A research problem is the main organizing principle guiding the analysis of your paper. The problem under investigation offers us an occasion for writing and a focus that governs what we want to say. It represents the core subject matter of scholarly communication, and the means by which we arrive at other topics of conversations and the discovery of new knowledge and understanding.
