Modern Auditing Assurance Services 4th

Auditing, examination of the records and reports of an enterprise by specialists other than those responsible for their preparation. Public auditing by independent, impartial accountants has acquired professional status and become increasingly common with the rise of large business units and the separation of ownership from managerial control.

The corporate veil in the United Kingdom is a metaphorical reference used in UK company law for the concept that the rights and duties of a corporation are, as a general principle, the responsibility of that company alone. Just as a natural person cannot be held legally accountable for the conduct or obligations of another person, unless they have expressly or implicitly assumed responsibility ...
