### **TSM Resources - Mathematics Links**

I never really learned how to revise for a maths exam at school. I'm sure people tried to teach me, but I generally wound up reading passively through my notes, maybe copying them out, and

possibly writing big question marks on them in highlighter.

### **Seven ways to revise for a maths exam (+1) - Flying ...**

Edexcel's Content Exemplification FAQs state that "candidates could be asked to produce the graph of a function or an inverse function. It is possible that this could then be linked into a geometrical interpretation". OCR's specification differs slightly, saying 'knowledge of function notation will not be required'.
