Multinational Financial Management 10th Edition

Corporate finance is an area of finance that deals with sources of funding, the capital structure of corporations, the actions that managers take to increase the value of the firm to the shareholders, and the tools and analysis used to allocate financial resources. The primary goal of corporate finance is to maximize or increase shareholder value. Although it is in principle different from ...

25 - 26 January 2019 4* Hotel de Medici, Bruges, Belgium Is the EU becoming an increasingly politicized entity? Is the on-going politicization of Europe a structured or a messy one? Do political parties within the European Parliament act in a manner that strengthens the view of the EU as an articulate political system? Are there efficient ways for addressing the democratic deficit issue?
