My World is the debut extended play (EP) by Canadian recording artist Justin Bieber. It was released on 17 November 2009, by Island Records. The album is considered the first half of a two-piece project, later being supplemented by his debut studio album My World 2.0 (2010). After signing a recording contract in light of his growing popularity on YouTube, Bieber worked with collaborators ...

The Second World War can be read with profit by students of the period as a memoir by a leading participant rather than a comprehensive history by a professional and detached historian. The Second World War, particularly the period from 1940 to 1942 when Britain fought with the support of the Empire and a few Allies, was the climax of Churchill's career and his inside story of those days is ...
